Citrus College, 1000 W. Foothill Blvd, Glendora, CA 91741

Join Us!

The 12.3-mile Foothill Gold Line light rail project will break ground on December 2, 2017. Six new light rail stations will be added to the Metro Gold Line system in Glendora, San Dimas, La Verne, Pomona, Claremont and Montclair.

Join elected officials, community members, and the media as we celebrate the start of construction for this important regional project being funded by Measure M and Measure R in Los Angeles County along with San Bernardino County funds to extend the line to Montclair!
