

NOTES

The field trip costs listed on the back page represent admission fees and transportation expenses. "Spending money" is not included, and in most instances, not encouraged or necessary.

Please see weekly activity calendars for more information.

If you are not interested in a specific field trip, **DO NOT** register your child for camp that day.

Although seldom, we do occasionally max out in Day Camp. To avoid getting shut out, you are encouraged to register for field trips early in the week to reserve your spot.

This is not a complete list of field trips. This list only includes those trips that include transportation
